CONSENT FOR CARE

It is my choice to receive manual therapy, and I give my consent to receive treatment. I have reported all health conditions that I am aware of and will inform my practitioner of any changes in my health.

I understand that I will be draped in a safe and comfortable manner. The breast and perineal areas will be covered unless verbal and written consent is given and the therapist has additional training and certification.

CONFIDENTIALITY

Client's records and sessions will be kept confidential and will not be shared with anyone without the client's written consent.

CANCELLATION POLICY

Cancellations require 48 hour notice to ensure that I can re-book the appointment. Unless there is an emergency, a 50% price-of-service fee will be assessed if appointments are cancelled less than 48 hours in advance. INITIAL
